

## Creative Dance Center 2023-2024 Recital Class – Recital Assignments

Welcome to our Annual Recital – Dancin Round the World! Each recital class will be performing their routine once on stage. Please consult the table below to determine which recital your child is performing in.

Unfortunately, due to the number of students who take a variety of multiple classes, and families with siblings who take different classes, there was no way to guarantee that all of your child's/children's dances are in the same show. We attempted to minimize the number of families that are participating in multiple performances; however, it was impossible to ensure each family is only in one performance.
